TAILOR ON TEN
SHIRT MEASUREMENT GUIDE

CHEST

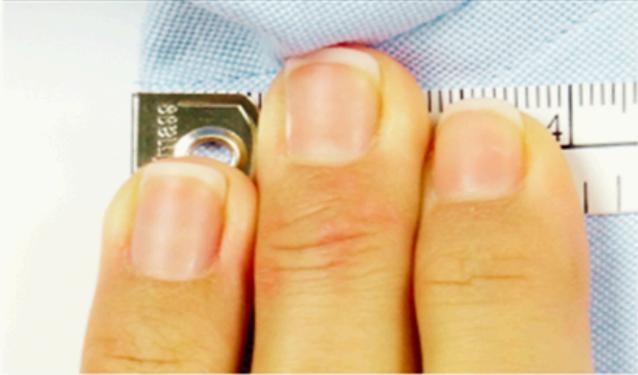

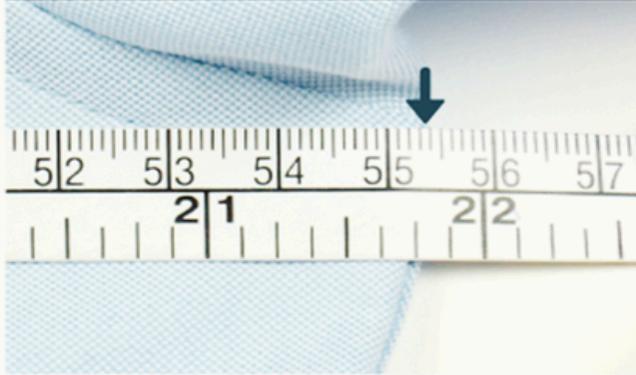

With your shirt completely buttoned up, measure across the chest between the left edge and the right edge immediately below the armpits. Make sure to flatten any wrinkles out of the back panel. Multiply this number by 2.

START POINT

END POINT

In this case, we'd round the measurement up to **55.5 cm** and then multiply it by 2, making it **111 cm**.
